Supreme Court of the United States
Memorandum

March 27, 1983

Mr. Justice:

Re: Arizona Governing Comm. v. Norris,
Bench memo

Here is the remainder of my discussion section, along with a summary and a revised table of contents. As you will see, I have changed my view on the remedy question; I now think that the CA should be affirmed on that issue as well. The enclosure thus begins with page 23 so that the memo you have accurately and consistently portrays

it view on this issue, which I think is a close one.

Sandra -

Do you know why this lawyer is in this case, rather than someone from the Arizona A.G.'s office? - Inamura

? H.A.

I assume it is someone hired by the insurance cos. The state has very little of stake economically here!
