MR. JUSTICE DOUGLAS, with whom MR. JUSTICE BRENNAN and MR. JUSTICE MARSHALL concur, dissenting.

I

For the reasons set forth in my dissenting opinion in *Salyer Land Company v. Tulare Lake Basin Water Storage District*, — U. S. —, —, I cannot agree that the voting provisions of Wyoming's Watershed Improvement District Act pass muster under the Equal Protection Clause. Accordingly, I dissent.

At issue is Wyoming's Watershed Improvement District Act, Wyo. Stat. Ann. §§ 41-354.1-41-354.26. Appellee Toltec Watershed Improvement District was established as a result of a referendum held pursuant to this Act, May 12, 1969.<sup>1</sup>

<sup>1</sup> Establishment of a Watershed Improvement District entails several steps. First, a petition proposing the creation of such a district must be filed with the board of supervisors of the soil and water conservation district in which the proposed watershed district will lie. § 41-354.5. The petition must set forth the boundaries of the proposed district, reasons justifying creation, and must be signed by a majority of the landowners in the proposed district. *Ibid.*

On receipt of the petition, the board of supervisors must call a public hearing, at which "[s]t] owners of land within the proposed watershed improvement district and all other interested parties shall
