**CHILDREN’S HOLIDAY PARTY**

~ Melody Palm

Plan now to attend the annual Children’s Holiday Party on Saturday, December 1 in the ISU Horton Field House. Children and grandchildren of all ISU faculty, staff, retirees, and students are welcome. Children must be accompanied by an adult.

The event will run from 10:45 a.m. to 12:45 p.m. and will feature an engaging performance by Illinois State’s own Gamma Phi Circus. This is always a real crowd pleaser, enjoyed by children of all ages. There will also be a variety of activities and games, including face painting and henna painting, balloon animals, inflatable funhouses, and more!

Reggie Redbird is planning to attend, as are Santa, Mrs. Claus, and the elves. A professional photographer will be available to take pictures with Santa, and/or with Reggie for a small fee. You are also welcome to take pictures with your own camera. Cookies and punch will be served, and each child will receive a small goodie bag.

The Children’s Holiday Party is co-sponsored by the Civil Service Council and Administrative Professional Council for the benefit of the entire campus. However, we need to know how many will be attending so we can have enough of everything to go around.

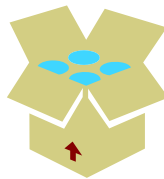

Please RSVP by November 26 to Jan Jolynn Staley (438-7261 or [jjstaley@ilstu.edu](mailto:jjstaley@ilstu.edu)) to reserve space and if necessary to request special accommodations. This is a very special party that you and your children won’t want to miss!

**BROTHERHOOD TREE**

~ Kevin Wiand

WJBC Brotherhood Tree collection boxes will be available for donations from Monday, November 26 until Tuesday, December 18, and will be located in various buildings around campus.

While out doing your holiday shopping, please consider grabbing an extra gift for needy families in McLean County. As in the past, gifts should be wrapped, tagged with the appropriate age and gender, and marked with what is inside. Cash Donations are also accepted! Your generosity is greatly appreciated!

Locations of the collection boxes this year are as follows: Hovey 1<sup>st</sup> floor east entrance; ISU Police Department; Milner Library break room 1<sup>st</sup> floor; Degarmo 5<sup>th</sup> floor west office; Student Services Building 3<sup>rd</sup> floor room 387; Harris Physical Plant on Gregory Street; ITDC Building--Center for Teaching, Learning & Technology; and Metcalf School main office.

**QUICK QUOTE**

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.

## TEAM EXCELLENCE AWARD APPLICATIONS

~ Dave Bentlin

The twelfth annual Illinois State University Team Excellence Award applications are now available. Materials describing the award and discussing criteria, eligibility and application procedure are available at [www.ilstu.edu/home/team-excellence/](http://www.ilstu.edu/home/team-excellence/) and in the Office of the Vice President for Student Affairs, Hovey Hall 301.

The Illinois State University Team Excellence Award was established to recognize collaborative efforts and exemplary teamwork by a group that includes Civil Service and/or Administrative/Professional staff. Faculty and students may also be included in such a team.

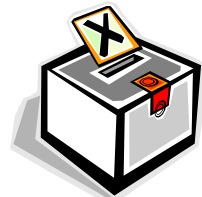

Groups that worked on projects initiated during the previous fiscal year will be recognized at Founders' Day on February 14, 2008.

The criteria for selection will focus upon the efficient use of fiscal and human resources in meeting university goals and objectives that enhance the quality of our collective lives. ## COUNCIL PROFILE

~ Brian Huonker

I started working at ISU in Web Support in 2003 after a 10 year stint as an art director for a marketing and communications firm. At the marketing firm, I started as a graphic designer and worked my way up to an art director creating everything from corporate identity and brochures to television commercials to marketing campaigns. During

my five years here at ISU, I have worked in the Web Support department aiding departments, colleges and units on campus with Web design. Recently, I have started teaching an evening class for the School of Art, Graphic Design for the Web.

No other family member works on campus, however, back in the late 80's and through the 90's my mom worked as a secretary in the Athletics department and then later in the Computer Science (now ITK) department.

I obtained a Bachelor of Fine Arts degree in '92 with a concentration in graphic design. And now I am feeling the waters out for a master's degree in English. Currently I have no family members attending ISU, but look out, I have three children that are rapidly approaching college age.

Back in high school, computers were just starting to make an appearance in the work place and all the job reports pointed to rapid growth in this industry. That coupled with the movie "War Games" and the fledgling video game market made me want to pursue a career in computers, especially computer animation and graphics.

When I retire, I plan on taking a long nap, a very long nap. After I wake, I plan on packing up and moving to a different city every year or two. My wife and I would like to experience the various cultures, communities and lifestyles that exist across the country and the best way to do that is to live within the communities that spawned them.

On a personal note, I will share that I enjoy a good cup of coffee, good conversation and creating freaky, pointless animated movies with my kids.

This is my first year on the council and I am still working on defining my role. Outside of the normal duties, I am specifically working on making sure that all Civil Service employees receive all correspondence from the University, whether that is e-mail, University mail or just flyers.

I was inspired to run for election from a sense of civic duty, coupled with the fact that I hardly knew anything about the Council. I thought that being on the Council would help me gain a better understanding of what the Civil Service System was about.

The University has been a good fit for me and my family. That's not to say though that it's perfect. Being on the Civil Service Council will help me address my concerns, and concerns of other University employees with the correct people on campus so that we can make Illinois State a better place to work.

## FRIVOLOUS FACTS

The wild turkey is the only bird with a beard. The penguin is the only bird that can swim, but cannot fly.

### SEE YOU NEXT YEAR FOR HOMECOMING 2008!

## SESSIONS WITH TIAA CREF

~ Denise Thomas

Patrick Windle, with TIAA CREF, has scheduled a campus visit to conduct individual counseling sessions with Illinois State University employees on Tuesday, December 11 from 8 a.m. to 5 p.m. in the Bone Student Center, McAllister's Private Dining Room.

Patrick can help develop long-term strategies, select your TIAA CREF options, find the right allocation mix, and develop your own strategy.

To schedule an appointment, please contact Patrick Windle, your TIAA CREF advisor at (800) 842-2005 or register on-line at <https://ifs2.tiaa-cref.org/cgi-bin/WebObjects/ARS> (after selecting Illinois, scroll down to the Illinois State University section and click on the date of your choosing).

TIAA CREF is a provider in the supplemental tax favored 403(b) savings plan at Illinois State University.

## CALL FOR VOLUNTEERS

~ Laura Dietrich

Commencement is quickly approaching, and the planning for the December ceremonies is well under way. It takes a lot of volunteers to make this event go smoothly, and your support is always appreciated. Volunteering provides an opportunity for University faculty, staff and friends to celebrate this very special day with students.

We are currently in need of people to fill the usher role for Commencement on the 15th of December. Those acting as ushers will work with the Office of Disability Concerns in assisting guests who need special seating accommodations.

Two ceremonies will take place at Redbird Arena - one at 9:00 a.m. and another at 1:00 p.m. Your help for either ceremony, or even both ceremonies, would be greatly appreciated. Please respond to Laura Dietrich via e-mail at [catsldietr@exchange.ilstu.edu](mailto:catsldietr@exchange.ilstu.edu) if you are willing to volunteer as an usher for Commencement, and please indicate which ceremony you would like to help with.

We greatly appreciate all your help and dedication to making Commencement a success!

**All-Season Grilled Chicken:** Submitted by Grace Taylor, 3500 Telecommunications & Networking.

- |  |   |
|--|---|
| ✓ 1 ½ cups chili sauce                 | ✓ 2 small cloves garlic, halved             |
| ✓ ¾ cup red-wine vinegar               | ✓ 1 teaspoon salt                           |
| ✓ 1 ½ tablespoons prepared horseradish | ✓ 4 bone-in chicken breasts (6 ounces each) |

Mix chili sauce, vinegar, horseradish, garlic and salt in a bowl. Reserve ½ of the marinade. Add chicken to bowl; turn to coat. Cover; marinate in refrigerator for about 5 minutes.

Preheat grill or broiler. Remove chicken from marinade; discard marinade in bowl. Place chicken on grill or on broiler pan.

Grill or broil chicken, turning and basting frequently with half the reserved marinade, until juices run clear when meat is pierced with a knife, about 30 minutes.

Heat remaining marinade in a small saucepan, stirring occasionally. Serve hot alongside chicken.
