MILNERITE NEWSLETTER

Vol. 2

Library, ISNU, December, 1951

No. 1

GREETINGS AND A VERY, VERY MERRY CHRISTMAS AND A HAPPY AND PROSPEROUS NEW YEAR TO YOU ALL!

As the second Christmas Newsletter goes out under the sponsorship of the Milnerites, it is with pride and joy that I view the work of these capable, and "budding" school librarians. They are earnest in their desire to join the worthy profession of school librarianship. Word from those of you who are out in the field is of vital interest to them since they appreciate the "in-service" approach which your letters give them. We do hope that this year, as in the past, the Christmas season will find you writing to us about yourselves and your work.

Miss Welch has told you elsewhere in this Newsletter, that I.A.S.L. has voted to be a division of I.L.A. The membership drive will soon be underway. I do hope you will each become an active member and help to formulate the school library policies for the state of Illinois.

Best wishes to you all for a good year! --EUNICE SPEER

HOMECOMING, 1951

The second annual Homecoming dinner was held Friday, October 26 at the YWCA in Bloomington. The tables were very appropriate with fall decorations. Margery Hinrichs, who did a fine job as chairman of the dinner served as mistress of ceremonies and introduced the officers of the club. Mary Ellen (Barton) Ellis gave a brief history of the club. Mildred Wright, our president, and Miss Speer, our sponsor, both gave a short greeting. With the University librarians and one alumna, Mrs. Ruth Clem, as guests,

the dinner was well attended with twenty-four present. After the program, the club's scrapbook was displayed.

LIBRARIANS ELECT MISS WELCH VICE-PRESIDENT

Miss Eleanor Welch, director of Milner Library since 1929, was recently named vice-president and president-elect of the Illinois Library Association. Her appointment was announced at the annual meeting of the Association held in Chicago, October 18-20.

The Illinois Library Association is an organization that works to improve libraries and bring them to the public. Their business is "books and people." Its members are librarians and laymen interested in libraries.

Miss Welch will serve as vice-president from 1951-52 and will take office as president for the year following. She has been affiliated with the organization for several years.

On Saturday, November 17, the Milnerites met in the University High School Library to read the shelves and take inventory. In addition to assisting the U. High Library, the purpose of this project was to acquaint the members of the club with the library. At noon a "pot luck" lunch was served. Darlene Corbin and Margery Hinrichs were responsible for the success of this part of the meeting. Eleven members were present. The majority of the members put in a full day and were surprised at the untold resources of the library. Their work was not in vain, because at the end of the day they had accomplished their goal.

Miss Ruth Zimmerman, librarian of Metcalf Library has been chosen by the Illinois Association of School Librarians to act as chairman of a committee for the improvement of Elementary School Libraries. Working with Miss Zimmerman are four other librarians connected with school libraries or library training institutions.

The project on which this committee is currently working is a folder "Our Library" which will be sent to each and every elementary school in Illinois.

This folder will contain a picture of activity in Metcalf Library, a story "Our Library" written by our own Miss Zimmerman, and then the question, "What of your Library?" Following this will be Five Steps Leading to a good Library.

OUR TENTATIVE PLANS FOR THE YEAR

The Milnerites were eager to start off their season this year and called their first meeting which was a short business meeting the last of September. The first official meeting of the club was the first Tuesday in October which was a business meeting and birthday party. Each member was given one lighted candle to celebrate the Club's first anniversary.

At the November meeting, after completing the business, our new members were initiated.

Our annual Christmas party was held December 4. All business was dispensed with and we devoted the entire evening to playing games led by Rose Lundberg. The meeting was somewhat reminiscent of those of last year because we had dinner together. A good time was had by all.

In January, the members of the University High School Library Club will be our guests. An interesting program is being planned by the President which will benefit both groups. We anticipate a mutually enjoyable program.

One of the worthwhile projects of the Milnerites this year has been the activity of the financial committee which is under the chairmanship of Anita Moon with the assistance of Mary Mazur

One of the worthwhile projects of the Milnerites this year has been the activity of the financial committee which is under the chairmanship of Anita Moon with the assistance of Mary Mazur

and Nancy Rodman. These people have worked diligently to promote the club's financial status in order that the club may finance such a worthy cause as the UNESCO-CARE book package to foreign libraries for children.

The chief activity of the financial committee is that of selling Christmas cards, stationery, and gift articles through the courtesy of the Cheerful Card Company of New York. The club thus far has sent three orders and will continue to send orders throughout the remainder of the school year. These orders are taken from students, faculty, and other interested persons.

WELCOME TO OUR NEW LIBRARY FACULTY MEMBER

Miss Loretta Kreuz has been kept very busy since she came to I.S.N.U. She has been teaching the use of the library to thirty sections of Introduction to American Public Education composed of freshmen students.

Miss Kreuz hails from Menominee, Michigan, which is located on the southern boundary of the upper peninsula on the Wisconsin border. She received an AB in LS from the University of Michigan; an MS in LS from the University of Illinois. Miss Kreuz has been at the Detroit Public Library, spent one year in Japan with the Army Library Service, and has been at Loyola University in Chicago. She is now at I.S.N.U. We are happy to have her in our midst.

I.S.A.L.

Have you heard the outcome of the ballot of I.A.S.L.? I hope you are as pleased as I that the group will remain a section of the Illinois Library Association. The vote was 93 to become autonomous and 138 to be a part of I.L.A. Now I hope the members working with other librarians will develop the organization until Illinois can be known for its effective school libraries and its forward looking librarians. I am very proud of the place I.S.N.U. trained school librarians are taking in the profession.

So a good Christmas to each of you and best wishes for a busy New Year.

Sincerely
ELEANOR WEIR WELCH
Director of Libraries
