GREETINGS

It is snowing today. So one begins to feel the proper Christmas spirit and you are glad there are poinsettias on the desks and a tree in the corridor and a creche and carols in the Carnegie Room, just as there were when you came to Milner and I hope there will be for many a year to come. "I would send you those gifts which are beyond price. I wish you all laughter and pure joy, a merrie heart, a clear conscience, and love which thinks no evil..., the fragrance of flowers, the association of holly, mistletoe and fir, the memory of deep woods, of peaceful hills and mantling snow." - Eleanor W. Welch

DEAR MILNERITES: Another year! May your paths be set with lady bugs and may you meet an occasional chimney sweep--with a ladder. Both are New Year's good luck symbols in Switzerland where I spent several months last year attending the University of Zurich. I wish you could have been with me in Odense, Denmark, Hans C. Handersen's birthplace. You would have loved Fairy Tale Park with its statue of the famous teller of tales right at the edge of a small lake on which was sailing a swan which I'm certain must once have been "The Ugly Duckling". Another interesting and stimulating place was the International Youth's Library at Munich where an attempt has been made to bring together the world's best books for children and young people. In every European country I visited there seemed to be a widening interest in the development of libraries for youth. Many of their librarians have studied and visited in our libraries. Others plan to come; therefore, as Milnerites we have a responsibility not only to our own young people but to those of other lands. -Ruth Zimmerman

DEAR MILNERITES: With all the messages sent and received at Christmas time, I hope you will be reminded that we are anxious to share your experiences and problems. Best wishes for a joyful Christmas season. -Loretta Kreuz

"HERE'S TO NORMAL"

Yes, those are familiar words, especially around Homecoming time. This year Homecoming was in the last part of October, the 30th and 31st, to be exact. The bonfire, the parade, the game, and the dance were bigger and better than usual.

So was the Milnerite banquet. This year the banquet was held on Saturday night, the 31st of October, at the Y.W.C.A. in Bloomington. The banquet was attended by alumni, librarians, and students. After they had finished a delicious meal, they were taken on a trip through Europe. The trip was by way of slides, shown by Miss Zimmerman, Metcalf librarian. We are sure that everyone who attended the Homecoming Banquet had as good a time as we did. Be seeing all of you next Homecoming at the Milnerite banquet.

MISS WELCH - IIA PRESIDENT

Miss Welch, past president of the IIA, found the job a demanding but interesting and valuable experience. The thing that amazed her most was the willingness and effectiveness with which people, who are very busy with their own jobs, take on added work for the good of the profession. The people who fall down at their job are conspicuous because there are so very few of them.

The duties of a president are many. There is much correspondence with The IIA Record (quarterly publication of the IIA), with the libraries in the state, and also with people in and out of the state. The president serves as the ex-officio member of all committees and boards, and attends all meetings of the Planning Board. The president must represent the Association in all official capacities. These and many other duties keep the president a very busy person.

It's Christmas again and time to greet old friends. Best wishes to each of you in the year to come. -Winifred Metzler

GREETINGS and a happy New Year to the alumni from the Reserve Rooms of Milner Library. -Lucile Crosby

HOLIDAY GREETINGS to all Milnerites--past and present--and best wishes for a happy and successful 1954. The latch-string of the Publishers' Exhibit is always out to you. -Helen A. Dooley

GREETINGS from the Special Education library! Christmas for us is becoming more exciting each year. More and more we are feeling a part of every activity as our collection of books and materials grows. -Augusta Gienapp

DEAR MILNERITES: Merry Christmas to all of you near and far. I hope that you are all enjoying your work and are happy in the profession you have chosen. May the coming years bring you even greater satisfactions. -Gertrude A. Plotnicky

DEAR MILNERITES: As the old year nears its end and the new year approaches, inventory time is upon us. I hope that each one of you has near the top of the list of reasons for being happy the fact that librarianship is your chosen career. The joy of opening new worlds to young people never ceases to thrill those who are bringing "the right book to the right child at the right time." May the coming months provide ever more satisfying compensations as you work with renewed vigor at making your school library the BEST school library. Sincere wishes for a truly Merry Christmas and Happy New Year.
Eunice H. Speer

LITTLE GEMS

Students on campus think that just because you work in the library you know everything. One student asked an assistant if the course number for beginning typing was 113 or 114.

MILNERITE CLUB NEWS

At the last meeting of the 1952-1953 school year, officers were chosen to serve for the coming year. Geraldine Thigpen, Social Science major from East St. Louis was elected president and Lois Carnahan, English major from Litchfield, Vice President and program chairman, and Melissa Ritter, Social Science Major from Streator, secretary-treasurer. At the beginning of the new year, Joanne Anderson, Spanish major from Maywood and Mercedes Tompkins, Social Science major from Waukegan were elected Historian and Corresponding secretary respectively. Gloria Ketchmark, English major from Minonk was appointed to the position of social chairman. Miss Eunice Speer, returned from study at the University of Illinois as the club sponsor. The main activities of the fall semester have been the planning of the annual homecoming banquet and the selling of Christmas cards to raise funds for the club. Milnerites have also taken responsibility for keeping a display on the bulletin board in Milner Library.

CHRISTMAS CARD SALES

The Milnerites held their annual Christmas card sale during the past month. Christmas cards, miscellaneous cards, and stationery were obtained from the Cheerful Card Company and sold by Milnerite members to fellow students and faculty. The cards were also sold publicly in the West Bridge of Old Main.

The proceeds will be used for the Care Book Package which is sent annually to a foreign country selected by the club.

MISS SPEER RETURNS

Miss Eunice Speer, instructor and assistant librarian, returned to the I.S.N.U. campus this fall after a year's absence. Miss Speer had been attending the University of Illinois Library School in preparation for attaining her Ph. D. in library science.

It's Christmas again and time to greet old friends. Best wishes to each of you in the year to come. -Winifred Metzler

GREETINGS and a happy New Year to the alumni from the Reserve Rooms of Milner Library. -Lucile Crosby

The cards were also sold publicly in the West Bridge of Old Main.

The proceeds will be used for the Care Book Package which is sent annually to a foreign country selected by the club.

MISS SPEER RETURNS

Miss Eunice Speer, instructor and assistant librarian, returned to the I.S.N.U. campus this fall after a year's absence. Miss Speer had been attending the University of Illinois Library School in preparation for attaining her Ph. D. in library science.

NEWS FROM FAR AND NEAR

BARBARA BIRTHWRIGHT is presently enrolled in the University of Chicago Library School and is working in the Law Library on the campus. She has been busy cataloging and finds it satisfying to open a drawer to find work that she has done. Barbara is living at Blake House.

HELEN BOURGEOIS came to class on Tuesday before Christmas vacation with a sparkling new diamond on the fourth finger of her left hand. She assured us that she planned to combine two professions, homemaking and librarianship.

DARLENE CORBIN is taking night courses at I.S.N.U. this year. She is quite enthusiastic about her second year of work. Darlene plans to spend some of her vacation catching up on work in her library.

FRANCES DOUGLAS related many interesting incidents concerning her work at Eureka when the former I.S.N.U. students, studying at the University of Illinois, assembled at Miss Speer's home for a visit in July.

MARY ELLEN ELLIS is in Yorkville teaching Physical Education. Both she and Dick teach and her mother cares for little Jeffry. Mary Ellen assured us that she practiced librarianship in her home.

MARGE HINRICHS was back for the Homecoming dinner. As always she had interesting experiences to relate.

LOIS KARLOSKI after spending the summer at the University of Illinois is back at Bent inspired by her summer of study.

MARY MAZUR attended the University of Illinois Library School in the summer. Subsequent word from her seems to indicate that she is planning to transfer to Rosary so she can be near home.

COLLEEN ROBINSON is busy organizing a

new library at Bartonville. She is most enthusiastic about her work even to the point of calling I.S.N.U. long distance seeking help. She is at the stage of apologizing that she does not have more books on the shelves, adding "I have more cataloged but they are out."

MARILYN SCHUMACHER is teaching in Bloomington in the 5th and 6th grades and hopes to get into school library work later.

MARILYN STEEGE is working at State Farm and is taking classes at I.S.N.U.

EDITH STORTZ seems to be enjoying her school. However she is so busy with other things that she has little time in the library.

CYNTHIA STRECKFUSS attended I.L.A. and earlier was among the librarians attending the meeting of unit district librarians at Springfield. She seemed to have exciting plans for the summer.

MRS. NICHOLAS SZABO (the former Charlotte Broaderick) writes that she is now living in Taylorville and is quite busy with two little ones - the youngest arrived this summer.

DONNA TIMM was bubbling with enthusiasm about her work when we saw her at I.L.A. in Chicago in November. She is assistant librarian and teaches English at Arlington Heights.

LITTLE GEMS (continued)

Freshmen are really using the library as an informational center. For example take the freshman girl who came up to the desk on registration day and asked for Kinsey's Report on Women. She said she thought she was old enough to know about things like that.

Member of Publicity Office to Miss Speer: "I know you sponsor the Milnerites but what about the Library Club."

This year's freshman class has really been hitting the books. You even have to kick them out of the library at closing time. The poor crazy mixed up kids.
