**Message from the
International President**

Dear SIEC-ISBE Friends,

Welcome to the 155th edition of *The International Journal for Business Education*, formerly known as *The Review*. Our journal is a blind, peer-reviewed publication for global business educators by global business educators. The journal is published once per year. ISBE members provide in-depth research articles that can be helpful in the classroom or with administrative responsibilities. Each article, based upon research conducted by our members, adds to the body of knowledge in global business education. As in the past, a brochure for the upcoming conference will be included. Additionally, a call for nominations for the office of Professional Development Chair and International President is included as required by our constitution.

I want to thank Tamra Davis, Ph.D. of the USA Chapter and Michaela Stock, Ph.D. of the Austrian Chapter for taking on the task of editors. I also want to take a moment to thank our reviewers. The complete list of reviewers can be seen on our Editorial Board page. Your expertise was beneficial in helping improve the quality of the accepted manuscripts and offering guidance for improvement to those authors whose work was not accepted this year. I would also like to thank Sam Peters, a business and English education major for proofreading and editing the final manuscripts.

Our international conference will be located in Krakow, Poland. The conference theme, Education for Business Sustainability, is an exciting theme that is very appropriate as our organization celebrates 114 years of excellence in Business Education. I hope to see you at the 2015 conference and our future conferences as well. Future conferences are planned in the following locations:

2016—Austria

We are seeking proposals for conferences in 2017 and beyond.

With warmest SIEC-ISBE regards until we meet again,

Petra Bragadottir
