**Message from the
International President**

Dear SIEC-ISBE Friends,

Welcome to the 157th edition of *The International Journal for Business Education*, formerly known as *The Review*. Our journal is a double blind, peer-reviewed publication for global business educators by global business educators. The journal is published once per year. ISBE members provide in-depth research articles that can be helpful in the classroom or with administrative responsibilities. Each article, based upon research conducted by our members, adds to the body of knowledge in global business education. As in the past, a brochure for the upcoming conference will be included.

I want to thank Tamra Davis, Ph.D. of the USA Chapter and Michaela Stock, Ph.D. of the Austrian Chapter for taking on the task of editors. I also want to take a moment to thank our reviewers. The complete list of reviewers can be seen on our Editorial Board page. Your expertise was beneficial in helping improve the quality of the accepted manuscripts and offering guidance for improvement to those authors whose work was not accepted this year.

Our international conference will be located in San Juan, Puerto Rico. The conference theme, Internationalization of Education: A Why and How Perspective, is an exciting theme that is very appropriate as our organization celebrates 116 years of excellence in Business Education. I hope to see you at the 2017 conference and our future conferences as well. Future conferences are planned in the following locations:

2018—Reykjavik, Iceland

We are seeking proposals for conferences in 2019 and beyond.

With warmest SIEC-ISBE regards until we meet again,

Petra Bragadottir
SIEC-ISBE International President

Review Process

The International Journal for Business Education is a double-blind, peer-reviewed journal. Due to the international nature of the journal, two or more editors work together to facilitate the review process. The editor from outside of the United States handles all manuscripts that originate from the United States. This editor assigns the manuscripts to the appropriate reviewers, handles all correspondence with the author(s) and reviewers, and makes the final decision on acceptance. The editor from the United States handles manuscripts that originate from outside the United States. Again, this editor assigns the manuscripts to the appropriate reviewers, handles all correspondence with the author(s) and reviewers, and makes the final decision on acceptance. By following this process, it is possible that one or more of the editors will also have a manuscript published in the journal. Additionally, it is also possible that someone who has submitted a manuscript is also selected to be a reviewer.
