~ Civil Service Council

Civil Service Dependent Scholarships

The Civil Service Council is again awarding scholarships to dependents of civil service staff. The Civil Service Dependent Scholarships, awarded through the ISU Foundation, will generally be in the amount of \$1,000 each (\$500 each semester). Scholarship amounts may be increased based on number of applicants and available funds in the scholarship year. Recipients must be enrolled Illinois State University students.

Additional scholarships may be awarded to students attending other Illinois universities or community colleges based upon the monies raised through fundraising activities of the Civil Service Council. These scholarships will generally be in the amount of \$500 each (\$250 each semester).

Eligibility requirements for the Civil Service Dependent Scholarships include:

1. Be a child living in household and/or dependent of full-time ISU civil service employee who has at least two years of continuous service at Illinois State University.
2. Be a full-time student working toward an undergraduate degree or diploma.
3. Meet the requirements of the school he/she plans to attend and have a grade point average of "C" or above in both high school and/or college.
4. Financial need will be considered.
5. A student may be awarded a maximum of (2) one-year scholarships.

Carl Johanson Scholarship

The Council is also awarding the Carl Johanson Scholarship. It was endowed by Al and Elaine Goldfarb and is named for Elaine's father. This scholarship is awarded to a civil service staff member who is taking classes and is seriously working towards a degree. It is awarded in the amount of \$500 (\$250 each semester).

Eligibility requirements for the Carl Johanson Scholarship include:

1. Be a full-time ISU civil service employee who has at least two years of continuous service at Illinois State University.
2. Be a student working toward a degree or diploma.
3. Have achieved at least junior status (including master's degree and doctoral candidates).
4. Have a grade point average of "C" or above during his/her college career to date. Scholarship will be one of two criteria considered for the award.
5. Financial need is the second of the two criteria.
