What your Civil Service Council Does For You

Lois Soeldner, Chair, Civil Service Council

Many of us applied for, tested for, and were hired into Civil Service jobs on campus, but not everyone is familiar with the Civil Service Council. As a group of elected members of campus, we are busy throughout the year raising funds for scholarships (which are given to children of Illinois State Civil Service workers), hosting an Annual Food Drive to benefit a local food pantry, collecting toys for donation towards a Toys for Tots program, and creating opportunities for Civil Service employees to network and have fun.

A very important aspect of the Council is that it is a part of shared governance. Your Council has a voice on campus through committee representation and executive communication, and is responsible for conflict resolution. In short, we are here for you!
