Memorandum

To: Executive Committee of the Academic Senate

From: Faculty Affairs Committee

Re: Human Resources Management Task Force

The Faculty Affairs Committee suggests the following procedures for implementation of the Human Resources Management Task Force. Since five constituencies are expressly identified in the motion creating the task force, we propose that no more than three (3) nominees be presented to the Executive Committee of the Senate from each constituency.

The faculty; . . . student; . . . administration; . . . and administrative staff nominees shall be selected by the appropriate internal committees of the Senate. (IE: Student Affairs Committee shall select the student nominees.) The Civil Service Council shall select the civil service nominees.

The Executive Committee of the Senate shall appoint five members to the Human Resources Management Task Force selected from the list of nominees. Each of the five persons shall represent one of the groups identified in the motion which created the task force.
