ILLINOIS STATE UNIVERSITY

FOUNDERS DAY OLD MAIN BELL CEREMONY

February 19, 2004

10 a.m.

THE OLD MAIN BELL

The Old Main Bell, located on the Illinois State University Quad, is the oldest piece of University history that can be found on campus today. The bell was removed from the top of Old Main, the first building built on the campus of what was then called Illinois State Normal University. Throughout the years, the bell was a symbol of daily life not only to campus, but to the surrounding community as well as it tolled the hours each day. Although the Old Main building was deemed to be structurally unsound and thus removed from campus in 1958, the bell was preserved.

Today, ringing the bell provides campus an opportunity to remember its heritage of the oldest public university in the state of Illinois. The still rich tone that resonates from the bell is a tribute to the thousands of alumni, faculty, and staff who have made Illinois State University a leader in higher education and a hope for those who will follow in their footsteps.

This Founders Day celebrates the 147th year since the founding of ISNU. Each year the bell is rung represents one year in the life of the institution. Those individuals selected to ring the bell will receive a commemorative bell to remind them of this special day.

MEMORANDUM

TO: Past Founders Day Bell Ringers

FROM: Barb Todd *Barb*

DATE: January 12, 2004

RE: Founders Day Activities

Plans to celebrate the University's 147th anniversary of its founding are well underway. This year, the annual tradition of inviting members of the campus community to participate in the ringing of the Old Main Bell continues for the third year. But, this year we are adding a new component to the ceremony.

As a past bell ringer, I invite you on behalf of the University to participate in this year's bell ringing ceremony. Everyone who has been a bell ringer the past two years is invited to stand on the sidewalk north of the bell and form a semi-circle facing the bell during the ceremony. We ask that you bring with you your commemorative bells that you received as a bell ringer.

The ceremony will be held on **Thursday, February 19 at 10 a.m.** If you wish to participate, please arrive **on the Quad by these flower beds no later than 9:50 a.m. to form the semi-circle.** Someone will be there to organize the group. As the 2004 bell ringers immerge from Moulton Hall and begin their walk to the ceremony, please begin ringing your bells and continue ringing them until the ceremony begins. We also will most likely have all bell ringers "jingle" together one more time during the ceremony. Final instructions will be given to those who show up that morning just before the ceremony begins.

If you have any suggestions, please feel free to share them with me! If you think you will be able to participate, please drop me a quick e-mail (bttodd@ilstu.edu) or give me a call so that I know if we have enough people to make this work. This is a go, unless you hear different from me.

Thanks!

Founders Day 2004

Ringling of the Old Main Bell

Nomination Form

The Old Main Bell, located on the Illinois State University Quad, is one of the oldest pieces of University history that can be found on the campus. The bell was removed from Old Main, the first building built on the campus of what was then called Illinois State Normal University. Old Main was demolished in 1958; however, the bell has long remained a symbol of daily life to not only the campus, but also the surrounding community. Originally, it announced the time. In later years, the bell was rung for special occasions.

Today, ringing the bell on Founders Day provides campus an opportunity to remember its rich heritage as the oldest public university in the state of Illinois. The still-rich tone that resonates from the bell is a tribute to the thousands of alumni, faculty, and staff that have made Illinois State University a leader in higher education and a hope for those who will follow in their footsteps, doing their part to continue to advance this grandest of enterprises.

Individuals are being sought to ring the bell with President Al Bowman as a part of 147th Founders Day celebration. The bell ringing ceremony will be held on Thursday, February 19 at 10 a.m. The individuals selected also will be asked to attend a luncheon and be recognized at the 3 p.m. Convocation that day. Those selected and who are able to participate will receive a commemorative gift.

Nominations are due Tuesday, January 20. Individuals may self-nominate or may nominate others from campus constituent groups: students, faculty, A/P, civil service, and alumni. Nominations can be made by completing the form found on the back of this or can be submitted via e-mail but must include the name, title and department/or relationship to the University, campus mail box/or mailing address, phone number, e-mail address, and constituent group that individual is representing as well as a brief explanation as to how the nominee demonstrates the core University values as stated in Educating Illinois: Individualized Attention, Public Opportunity, Active Pursuit of Learning, Diversity, and Creative Response to Change. The Founders Day Committee will select participants from the nominations received. Please note individuals who have previously participated in this ceremony are not eligible. For a list of all past bell ringers, please see back.

Nominations should be sent to
