UNIVERSITY UNION BOARD CODIFICATION PROPOSAL
(as amended by the Rules Committee)

University Union Board Membership: (16)

13 students
2 faculty
1 Union Director

The membership of the University Union Board shall consist of four (4) student hold-over members, (from which two (2) will sit as ex-officio members), from the previous board. These four (4) hold-over members will be selected by secret ballot of that Board (2 hold-over members and 2 ex-officio hold-over members). The membership will also consist of nine (9) new student members to be selected, from applications, by a screening committee of the following membership:

2 University Union board representatives selected by the University Union Board
2 Student Association Assembly representatives selected by the Student Association
1 representative Senator from the Academic Senate Student Affairs Committee, selected by the Student Affairs Committee.

The two faculty members shall be appointed according to the procedures of the Academic Senate.

The University Union Director shall sit as a non-voting ex-officio member of the University Union Board.
Elections: The President and Vice-President of the University Union Board will be elected by the entire student and faculty membership of the new University Union Board. The voting membership will consist of:

- 9 new members
- 2 hold-over members
- 2 ex-officio hold-over members (it is the only at this time that they will possess a vote)
- 2 faculty members

Functions:

To be a watchguard of student interests in the University Union.

To advise and assist the University Union Director in determining policies concerning the use of the University Union and its facilities.

To provide programs which augment recreation, and extend the broad educational goals of Illinois State University.

To advise and assist the Director in seeing that the facilities of the University Union are used to provide the greatest possible service to the entire University community.
