PRESIDENT

March 27, 1974

Members of the Academic Senate  
Illinois State University

Dear Colleagues:

- As many of you know, the immediate past Chairman of the Academic Senate, Dr. Charles Edwards, has been meeting regularly with the Academic-Administrative Council each week. This has provided an important communication link between the Academic Senate and the administration of the University. It is our desire to continue this practice and we should, therefore, like to extend an invitation to the new Chairman of the Academic Senate to continue the practice of meeting with the Academic-Administrative Council each Monday morning.

Respectfully,

Gene A. Budig
