Memorandum

To: Academic Senate

From: Faculty Affairs Committee

The Faculty Affairs Committee has approved the following statement and it will appear as an information item on July 24, 1974.

This recommendation deals with concern over the overlapping responsibilities of the Grievance, Ethics, and Academic Freedom and Tenure Committees. The Faculty Affairs Committee recommends that one member from the Ethics Committee, the Grievance Committee, and the Academic Freedom and Tenure Committee be appointed to a preliminary review board for the purpose of suggesting the appropriate committee to which the complainant should address his concern. The membership of the Grievance Committee and the Academic Freedom and Tenure Committee shall determine their representative to the preliminary review panel. Since the Ethics Committee is only convened after a charge has been made, we further recommend that the Chairperson of the Senate appoint a person to serve as a representative of the Ethics Committee and also that he serve on such committee when it is convened.
