22 August 74

To: Bob Sutherland

From: Dick Godfrey

Has the Academic Senate ever formally changed the designation of department heads from chairman to chairperson? I know the Catalog still carries that designation and I recall that when Dick Bond was here, formal action was taken to change it from head to chairman. My concern is one of accuracy in publications, of course, and if no formal change has been made, it might be one that the Senate might wish to consider.
