Executive Committee

Meeting No. 9  
Stevenson 214  
4:20 p.m. - 5:10 p.m.

February 19, 1975

Members Present: Mr. Arnold, Ms. Frankland, Mr. Henry, Mr. Liberta,  
Mr. Madore, Mr. Sutherland, Mr. Tarrant, Mr. Young, Mr. Quane,  
Mr. McBee (for the Administration)  
Guests: Mr. Steinbach, Mr. Brekke, Vidette

The Chairperson called the meeting to order at 4:20 p.m. in  
Stevenson 214.

A motion (Mr. Madore, Mr. Quane) to place the following items on the  
action agenda was approved: 1) Recommendations from Student Associ-  
ation on Academic Plan; 2) Proposal for Ed. D. in Curriculum and In-  
struction; 3) Codification of the Parking Committee; 4) Recommendation  
on Master Plan Phase IV.

Mr. Madore stated that some questions had arisen about the support data  
for the Ed. D. in Curriculum and Instruction. He stated that it would  
be wise to have this Senate act on this proposal. He suggested that  
the Senate approve the proposal and then hold it. It was suggested  
that Dr. Clayton Thomas be invited to the meeting to confirm or deny  
allegations that had been made regarding his position on the degree.

It was suggested that members of the Parking Committee be invited to  
the meeting to provide input into the discussions of the Parking Com-  
mittee codification.

Among information items for the February 26 meeting will be: 1) Infor-  
mation Sciences Major; 2) Faculty Affairs Committee Proposal re Faculty  
Dismissal for Reasons of Financial Exigency; 3) Bicycle Committee Codi-  
fication; 4) Proposal for D. A. in English. A discussion of whether to  
suspend the rules and move some of the above items to the action stage  
ensued. Mr. Young stated that the Academic Affairs Committee had dis-  
cussed this issue for quite some time. They had stated that if there  
wasn't a pressing need, then the Senate ought not to suspend the rules,  
but in these cases there seemed to be a rationale for suspending the  
rules. The tight time frame was mentioned as a rationale for passing  
this as soon as possible. It was suggested that the motion to suspend  
the rules should come from the Academic Affairs Committee. It was also  
suggested that Dean Uehling, Dr. Linneman, and Dr. White be invited to  
the meeting to answer questions on the document.

Mr. Steinbach stated the Bicycle Committee which he chaired is asking  
for the approval of the establishment of a permanent University Bicycle  
Committee. Mr. Steinbach stated that the proposal has been examined by  
the Administrative Affairs Committee and the Student Affairs Committee.  
It was questioned if Rules Committee has examined the new codification.  
It was stated that before the proposal is an action item the Rules Com-  
mittee should look at the codification. A motion (Mr. Liberta, Mr.  
Tarrant) that the codification be referred to Rules Committee at the  
action stage was approved.

A motion (Mr. Madore, Mr. Liberta) to approve the above items on the information item agenda for the February 26 meeting was approved.

The status of the Parking Committee codification was again discussed. Concern was expressed that the codification should be referred to the Rules Committee. It was suggested that it might expedite matters if the Rules Committee would prepare a ruling on this codification before the meeting. A Motion (Mr. Madore, Mr. Henry) to so move was approved.

A motion (Mr. Madore, Ms. Frankland) to approve the placing of the Mickrod Budget Report and the Orientation Committee Report under Committee Reports was approved.

The orientation session for the new Senate will be on March 5 at Ewing Castle.

The Proposal to change the Program in Corrections to Departmental status was referred to the Academic Affairs Committee for their recommendation on motion (Mr. Henry, Mr. Quane)

A communication from the Rules Committee was discussed. A proposal for the implementation of staggered terms in the College of Fine Arts was discussed and several problems were noted. A motion (Mr. Tarrant, Mr. Liberta) that the Rules Committee come back with their recommendation on points 1 and 2 and that the Committee look into the election system during the next term to correct the problem of the lack of staggered terms was approved.

The meeting adjourned at 5:10 p.m.
