Subject: Selection Committee for Dean of Continuing Education and Public Service

In regard to the composition and membership of the named selection committee, it is my intent to name Dr. Roger Champagne as chairperson and Dr. Shailer Thomas as secretary.

The method I would propose for selection of the two additional members to be named by me is as follows: It is desirable to have a maximum number of colleges represented and to have the Division of Continuing Education represented. Once the Senate has selected three faculty members, I would name two individuals from units not represented by the Senate's selections.
