ACTION ITEMS

1. Proposed Change in ISU Constitution (4.22.86.6)

XVIII-2

Ms. Roof, Chair of the Rules Committee, moved approval of the Proposed Change in the ISU Constitution (Second, Schmaltz).

Article III, Section 1, B, 4:

"The faculty member's chief obligation to this University is to be an effective teacher and scholar. ...He determines the amount and character of work he does outside the University with due regard to his paramount responsibilities within the institution and in case it is for remuneration, with the knowledge of the University."

For underlined portion, substitute: "...conformity with Board of Regents regulations and University policy and procedure."

Ms. Roof stated that the distinction is fairly clear. The wording of the constitution was vague ("with the knowledge"). The new wording essentially substitutes fairly specific regulations to notify the university and the circumstances under which that notification has to take place: ("in conformity with Board of Regents regulations and University policy and procedures.").

Roll call vote was unanimously in favor of this constitutional amendment. Amendment carried on a 2/3 majority vote.

2. Approval of Student Appointments to Honors Council (8.6.86.2)

XVIII-3

Mr. Semlow moved approval of the nominations for student appointments to the Honors Council (Second, Newby). Motion carried on a voice vote. Student appointments are: Wendy Burns, Ken Douros, Kami Kidwell, Christine Rozanas, and Janet Storbeck.

3. Approval of Proposed 1987 Academic Senate Meeting Calendar

XVIII-4

Mr. Lorber moved approval of the proposed 1987 Academic Senate Meeting Calendar (Second, Borg). Motion carried on a voice vote.

RE: Change in ISU Constitution

DATE: April 21, 1986

Article III, Section 1.,B,4 of the ISU Constitution reads:

"The faculty member's chief obligation to this University is to be an effective teacher and scholar. ...He determines the amount and character of work he does outside the University with due regard to his paramount responsibilities within the institution and in case it is for remuneration, with the knowledge of the University."

We are requesting an amendment to the Constitution so that the underlined portion of the sentence listed above would read:

"...conformity with Board of Regents regulations and University policy and procedure."
