Bands at Illinois State University

The *Wind Symphony* and the *Symphonic Winds* are highly selective ensembles of the finest instrumentalists at Illinois State University, performing outstanding and representative works in all styles from "classical" to "avant-garde." In addition to campus programs, the Wind Symphony and the Symphonic Winds tour annually. In the Spring of 1990, the Wind Symphony performed at the prestigious American Bandmasters Association Convention at the University of Illinois. Membership is by audition only and is open to all Illinois State University students.

The *Symphonic Band* is comprised of approximately 75 outstanding wind and percussion players from across campus. They perform only quality band literature and concertize both on and off campus. This organization rehearses three hours per week. Membership is by audition only and is open to all Illinois State University students.

The *University Band* is comprised primarily of non-music major and music majors gaining experience on a secondary instrument. This ensemble provides students the opportunity to continue playing while devoting the major portion of their time to other academic disciplines. This organization rehearses once a week and presents one concert at the end of each term on campus. Membership is open to all Illinois State University students.

Chamber Winds are selected ensembles comprising numerous quartets and quintets which are coached by members of the applied music faculty at ISU. The collective ensembles perform diverse repertoire and concertize both on and off campus. Membership is by audition only and is open to all Illinois State University students.

The *Illinois State University Marching Band*, "The Big Red Marching Machine," has a long and proud history of performances at major events both at home and across the Midwest. Each year, in addition to performing at all home football games and for over 4,000 high school band members at the State of Illinois Invitational High School Marching Band Championship, the "Pride of Illinois" travels to an away ISU football game and a televised Chicago Bears game. The "Big Red" is open to all Illinois State University students and is comprised of winds, percussion, color guard, twirlers and danceline.

The *Pep Band* provides spirit and enthusiasm at all ISU men's and women's home basketball games, as well as various other events on campus and in the community. Members from this band accompany the ISU basketball teams to the NCAA and NIT tournaments. Membership is by audition only, and is open to all students who participate in another band during the academic year.
