Mr. T. E. Rine  
Chairman of Committee on Committees  
Illinois State Normal University

Dear Mr. Rine:

During the Executive Session of the University Council on Wednesday, January the sixteenth, we discussed our present committee system. It was the opinion of the group that we need to evaluate and revise the whole committee system in our school. The Council voted to ask the Committee on Committees if they would be willing to assume the responsibility of studying and making recommendations concerning the improvement of the present system of faculty committees. This would include the study of such problems as; setting up objectives, listing responsibilities, avoiding overlapping and deciding the manner and length of appointments.

May we hear from you soon.

Sincerely,

Elizabeth Russell, Secretary  
University Council
