JOINT MEETING OF UNIVERSITY COUNCIL AND THE INSURANCE COMMITTEE:

A joint meeting of the University Council and the Insurance Committee, represented by Miss Jessa, Mr. Wiant, and Mr. Johnson, was held during the noon hour, April 26, to discuss recommendations #3 and #4 previously made by the Insurance Committee. Mr. Johnson reviewed the various factors which were considered by the Insurance Committee in arriving at the four recommendations presented. He indicated that the only alternative to recommendations #3 and #4 is to form, in effect, an additional mutual insurance plan with assessments or premiums to cover the added costs necessary if disabled or retiring employees are not permitted the option of transferring to the individual plan. Mr. Wiant reviewed the factors concerned with costs of the various plans, the rate increases and why they are sometimes necessary, and the provisions for transfer from the group to the individual plan. It was pointed out that the Blue Cross and Blue Shield Insurance Plans are non-cancelable plans, and that retired employees and those disabled over a prolonged period cannot be canceled so long as they continue to pay their premiums on an individual plan. The provisions of recommendations #3 and #4 were defined and clarified for the members present.

Mr. Gillett moved that recommendations #3 and #4 be accepted; Miss Yates seconded the motion, and the motion carried.
