EDWARDS/GETZEN ARTIST, CARL FONTANA

Carl Fontana is a trombonist's trombonist. A veteran of the big bands led by Woody Herman, Stan Kenton, Louis Bellson, Lionel Hampton and Hal McIntyre, Fontana is best known for his work as a jazz player. In addition to being a featured soloist on the aforementioned big bands, he has been an outstanding member of the Kai Winding Septet, the World's Greatest Jazz Band and the Al Belletto Sextet. Known for his incredible facility and lyrical style, Fontana has wowed audiences around the world.

His inimitable solo style has been recorded on numerous LP's with the groups mentioned above and he has also recorded CD's for the Concord Jazz and Uptown labels. On the Concord Jazz recording, The Hanna-Fontana Band, he appeared as a co-leader with drummer Jake Hanna and on Uptown's The Great Fontana, he led his own quintet which featured tenor saxophonist Al Cohn. He appeared as a featured guest of the Bobby Shew Quintet on their MAMA label CD Heavyweights. Fontana fans will be pleased to know that the new CD he recorded with fellow jazz trombonist Jiggs Whigham on the TNC-Jazz label was just released in December of 1997.

BANDS AT ILLINOIS STATE UNIVERSITY

Wind Symphony and Symphonic Winds are select groups of the finest instrumentalists at Illinois State University, performing outstanding and representative works in all styles from "classical" to "avant-garde." In addition to campus programs, the Wind Symphony tours annually. The Wind Symphony has been a featured performing ensemble at the American Bandmasters Association Convention, the Illinois Music Educators Association Conference and the College Band Directors National Association National Convention.

The Symphonic Band is comprised of approximately 90 outstanding wind and percussion players from across campus. It performs quality band literature and presents two concerts each semester. This organization rehearses two times per week.

The University Band is comprised of non-music major and music majors gaining experience on a secondary instrument. This ensemble provides students the opportunity to continue playing while devoting the major portion of their time to other academic disciplines. This organization presents one concert at the end of each term on campus.

Chamber Winds are numerous quartets and quintets which are coached by members of the applied music faculty at ISU. The collective ensembles perform a diverse repertoire and concertize both on and off campus.

The ISU Jazz Band is a select group of approximately 20 musicians who make up a fully instrumentated "big band." Emphasis is placed upon the study of diverse jazz styles and literature, ensemble performance and improvisation. The band has been awarded outstanding performance honors in group and individual categories at numerous festivals across the Midwest. The ISU Jazz Band schedules numerous performances both on and off campus.

The Illinois State University Marching Band, "The Big Red Marching Machine," has a long and proud history of performances at major events at home and across the Midwest. Each year, in addition to performing at all home football games and for over 4,000 high school band members at the State of Illinois Invitational High School Marching Band Championship, the "Pride of Illinois" travels to an away ISU football game and a televised Chicago Bears game. In November of 1992 the band performed in exhibition for the Bands of America Grand Nationals at the Hoosier Dome in Indianapolis, IN.

The ISU Pep Band provides spirit and enthusiasm at all ISU men's and women's home basketball games as well as various other events on campus and in the community. Membership is open to all students who participate in another band during the academic year.
