To my family

Words can't say how much I love you and how much you mean to me. You stand by me through thick and thin, and I don't tell you nearly enough how blessed I am to have all of you in my life. We have been through a lot together, especially in this past year, but we continue to grow stronger through each other's love. You have been there for me my entire life and without you, I wouldn't have been able to go on this past year. Thank you so much for all that you've done for me, I love you with my whole heart.

To my friends and loved ones

To say that I am lucky to have you in my life would be an understatement. I am honored to know each one of you because you are amazingly kind and good-hearted people. I know that I can come to you for anything and I hope that you know that I will always be here for you as well. I love you all dearly and thank God for placing you in my life because your friendship means more to me than words alone can express. Thank you for your constant support and kindness, I love you more than you'll ever know.

To Kim

To begin to thank you is a difficult task because I don't know where to start. I really don't know what I would have done without you these past four years (and especially this past year). Your constant support and encouragement has helped me get through both the good times and the bad. I am so thankful to have you in my life, both as a teacher and as a friend. I look-up to you in so many ways; not only for the outstanding musician you are, but also for the way you teach, and the kindness that you show towards others. I would not have been able to get through this past year without you. I hope you know how thankful I am to have you in my life. I love you and thank you from the bottom of my heart for everything you've done for me.

To Patty

You put the "Energizer Bunny" to shame. You keep going, and going and going, and just when you think that you might get to rest, something else pops up. Your hard-work, dedication, and amazing musicianship astounds me. It is an honor to be able to play with someone like you. You are a wonderful person with an enormous heart. Thank you for keeping me sane through all of this, I love and care about you very much.

To all who played on the recital

Thank you for investing your time and energies into rehearsing and playing for my recital. It means a lot to me to be able to play with such wonderful musicians. You are all dear to my heart, I love you.

To Becky Culp

Thank you so much for arranging the *Nimrod*, you did a wonderful job. It really means a lot to me to be able to play this on the recital. It was very kind of you to take your own time to do this for me. I appreciate it very much.

To All who attended the recital

Thank you so much for taking time out of your own day to come and support me. Seeing you here really touches my heart.
