'Round about the mountain (traditional)

Roland Hayes
(1887-1977)

This song is said to have originated in the Appalachian Mountain system of Tennessee. A young woman, before departing this life, acknowledged God as her Lord and Saviour. She did not die in her sins, which is the good reason for the exalted joy felt by the entire community—comprising women and children, too, as they jubilantly followed the ox-drawn cart which bore the body to its final resting place off a winding road among the hills.

The Vagabond

Let beauty awake

The roadside fire

Youth and Love

In dreams

The infinite shining heavens

Whither must I wander

Bright is the ring of words

I have trod the upward and the downward slope
