# FRIENDS OF THE ARTS

## A CREATIVE IDEA IN ACTION

A fresh, new organization open to everyone with an interest in the arts. It is dedicated to the support and growth of fine arts programs at Illinois State University through the personal and financial involvement of its membership.

Through "Friends of the Arts" membership you participate in the many facets of the world of the arts to be found within the College of Fine Arts.

Backstage, on-stage, underground, in the studios and classrooms you can share the experience of rehearsals, creation of paintings and sculpture, the making of music. You will receive a calendar of arts events, special notification of off-campus activities, such as studio tours and art exhibitions, celebrity receptions, invitations to "Friends of the Arts" meetings, social events, lectures, performances and demonstrations.

Your gift to "Friends of the Arts" will provide funds not available from tax sources to broaden the scope of programs within and related to the College of Fine Arts. In the 1975-76 year all membership fees will support a program for talent grants. The grants will be cash awards to students and prospective students who have demonstrated exceptional ability in one of the fine arts disciplines. Financial need will not be a consideration; state and federal funds are available for that purpose. Grants are made on the basis of talent only. Excellent students are as important to the growth of the College as outstanding faculty and facilities.

Encourage the pursuit of excellence! Join the "Friends of the Arts" of Illinois State University. . .the bright, new organization that will give you excitement, fun, knowledge, and a lot of special advantages in the arts at ISU.
