## BANDS AT ILLINOIS STATE

All bands at I.S.U. are organized to provide an opportunity for all students to participate to the level of their interest and ability. Present enrollment exceeds 300, and includes representation from all academic departments, and from the freshman through the senior class. Though auditions are held to assign students to the particular band from which he or she will gain most, and to which he or she will contribute most, no interested instrumentalist has ever been denied membership.

The entire program includes several bands. The Marching Band exists for the duration of the football season, and has travelled to opponents' stadiums and professional games. The Pep Band, which plays for all home basketball games, continues bands' service to athletics. Three concert units, of which the Concert Band is the most select, present campus concerts and a wide variety of off-campus services and performances. The Concert Band has been to the East Coast, as well as to all states bordering Illinois. It was recently featured on a recording distributed internationally.

A limited number of financial grants for participation in Bands are available. Interested high school students are encouraged to contact the Department of Music for further information about these. General information regarding the total university is available from the Office of Admissions. Any questions regarding Bands may be addressed to George P. Foeller, Director of Bands, I.S.U., Normal, Ill. 61761.
