### INTERMISSION

Golden Rule

Concentration for Three Small Wheeled Instruments and Tape Loop

OSIT V

---

Centennial East Recital Hall

Thursday Evening

November 9, 1972

8:15 p.m.

"I consider this electronic age to be one of many facets not one of which can be taken to mean the same as the sum or difference of its numerous components, that is, I feel experiments are justified by their relationship to their creator and their importance is to be taken into account historically; the final outcome will be judged only on its relevance to society as a whole."

Raro Adscha
